OFFICE OF
AIR AND RADIATION

MEMORANDUM

SUBJECT: Documentation of Conversations with E.C.S.

FROM: Richard D. Lawrence, Director *R. Lawrence*
Engineering Operations Division

TO: Air Docket A-90-16

The following phone conversations were held with E.C.S.:

10/19/90: Asked Don Wells what kind of fuels he tested; responded that he normally tested on clear fuel, on occasion (special purposes) tested on MMT.

10/22/90: Spoke to Don Wells and gave him directions to EPA and time to pick up cars.
